ALPUJARRA – Full day Tour

DESCRIPTION:

Discover the Alpujarras, one of the richest botanical enclaves of Europe. With our day trip, cycles through the picturesque villages in the hands of our official tour guide. Lanjarón is our first stop, a miraculous place where water flows through its historic seaside resort, founded in 1843, then we will go to Orgiva, crossroads of all roads and capital of the Alpujarra. After this stop we will continue to the magical towns of Carataunas, Pampaneira, Pitres, the source of Pórtugos sour (high in iron) and Trevélez, the highest village in Spain and widely known for its exquisite Iberian hams.

Finally to Bubión and continue along until Capileira, dominating from its height the Barranco del Poqueira is a wonderful, quiet place where there will be the traditional lunch Alpujarreño.
